**F-1 C15-2015-0147 Robert Kleeman  
8901 West Highway 71**

The appellant has filed an appeal challenging a Land Use Determination and related development approvals made in connection with the approval of an outdoor amphitheater located at LifeAustin Church, 8901 West State Highway 71, including decisions to classify the use as “religious assembly” and to subsequently approve Site Plan No. SP-2011-0185C, an associated restrictive covenant, and a building permit. The appellant disagrees that, among other things, the Land Use Determination and related development approvals incorrectly treat various outdoor activities held at educational and religious assembly facilities as part of the principal use rather than as temporary activities subject to City Code Section 25-2-921(C) in an “RR-NP”, Rural Residential – Neighborhood Plan zoning district. (West Oak Hill)

**F-2 C15-2015-0168 Robert Kleeman  
8901 West Highway 71**

The appellant has requested that the Board of Adjustment interpret whether staff erred in making an administrative decision to approve site plan correction number 12 to the current site plan of this property (SP-2011-185C (R1)), thereby authorizing construction of a disc golf course and outdoor dog park at this church facility in a “RR-NP”, Rural Residential – Neighborhood Plan zoning district. Therefore, these variances are sought in order for the owner to file a subdivision plat of the parcel thereby creating a legal lot. The neighborhood plan also allows for 65% impervious cover for lots 3,500 square feet or less, however this lot will be 3,515 square feet and did not exist as a legal lot in 2002 when the neighborhood plan was established.
